Not only will it be a great day of golf and dining, but by attending, we will be able to raise money to support the various community-based programs that Kiwanians and the Mineola Chamber support. The Outing and Dinner will be held at the Harbor Links Golf Club in Port Washington. Past outings have been tremendously successful with beautiful weather....great golf....and a lot of fun.

The success of this outing has given us the ability to fund the many projects that we do as Kiwanians and Chamber members. We are proud to provide scholarships to local high school students whether they are from public or private schools based on both need and merit. Our donations to Kamp Kiwanis, The Salvation Army, other local charities or local families that are facing everyday hardships are always welcomed.

Outlined in this invitation are the various ways that you can support what we do. Please consider playing golf, either as a single or part of a foursome with your friends. There are also various sponsorship opportunities, Tee signs to advertise your business, 50/50's and, of course, great raffles.

We also welcome you as a dinner guest.
