Guest Speakers **NY Forward (NYF)**

NY Forward (NYF) was launched in 2022 to support downtown revitalization for New York's smaller communities, with a focus on hamlets, villages, and neighborhood-scale commercial centers. Through the NYF program, smaller downtowns will receive planning and implementation support needed to attract more businesses, residents, and visitors, while also providing a higher quality of life for all residents. Mineola is one of the two winners in the Long Island region, and has been awarded \$4.5M toward improvements that will help transform the downtown area.

Susan Favate and Rachel Bruce are the members of the NY Forward group and will discuss the 4.5 million, and about public participation as well as a call for projects.
